Dear George:

Upon my departure, I would much rather have been able to shake your hand and wish you well for the future while expressing my deep appreciation for our friendship over the past two years.

I leave the Service with much regret and some mixed emotions but with full confidence that with people like you remaining our country will be in good hands.

I wish you the very best of luck and do hope that our paths cross again at some future date.

For your information my new home address is:

STAT

Warmest regards,
